

Professorship of Art in Time-based Media (W2)

Bard College Berlin seeks to appoint a tenure-track professor of art with a specialization in time-based media (film, video and / or multimedia) to begin in September 2026. The successful candidate will have a record of internationally-recognized achievement in the relevant field, and teaching experience in a university context. Tasks essential to the role include teaching 3 courses per year (one course is 3 hours per week in a 14-week teaching semester), supervision of final-year projects, and outreach for BCB's art programs.

Conditions of appointment are governed by §100 of the Berlin University Law.

Applications with a letter of interest, full CV with list of exhibitions and record of teaching experience, as well as links to catalog documentation and publications in pdf format should be sent by Friday October 31, 2025 to jobs@berlin.bard.edu
